Your AI Toolkit

Claude AI

Best for: **Copywriting**
Emails, code, sales pages.
Longer memory, better reasoning than ChatGPT.

NotebookLM

Best for: **Research & Learning**
OUR sources — zero hallucination.
Upload PDFs and ask anything about them.

Zapier

Best for: **Automation**
1000+ apps with no code.
Build workflows Claude can trigger automatically.

Otter.ai

Best for: **Meeting Notes**
Zoom, Meet, Teams.
Auto-summarizes and extracts action items instantly.

Nano Banana 2

Best for: **AI Image Generation**
Prompt engineering with consistent characters.
Built specifically for creators and digital products.

Blotato

Best for: **Content Repurposing**
Repurposed across all platforms.
Save hours every single week.

Searchable

Best for: **SEO**
Live search data baked in.
Write content that ranks from day one.

CapCut

Best for: **Video Editing**
Mobile-first video editor.
Auto-captions, trending templates, direct export.

Wrong vs. Right For Every Workflow

STOP USING

USE INSTEAD

Productivity

ChatGPT

Generic outputs, loses context

Claude

Deep reasoning, longer memory

AI Images

Claude

Not built for image generation

Nano Banana 2

Photorealistic, character-consistent

Writing Emails

Meta AI

Robotic phrasing, no tone control

Claude

Adapts tone, sounds truly human

Learning

ChatGPT

Hallucinations, no source grounding

NotebookLM

Grounded in your actual sources

Content

NotebookLM

Built for research, not publishing

Blotato

Auto-repurposes across all platforms

Building Apps

ChatGPT

Code breaks at scale, poor debug

Claude

Handles full files, complex projects

SEO

Meta AI

No keyword data, no SERP awareness

Searchable

Live search data baked right in

Meeting Notes

MS Copilot

Requires M365, clunky outside Teams

Otter.ai

Works any call, auto action items

12 Claude Prompts

WRITING

Act as an expert copywriter. Write a [type] for [audience] that focuses on [benefit].

WRITING

Turn this [blog post/video transcript] into 5 short social captions under 150 characters each.

PRODUCTIVITY

Summarize this in 5 bullet points. Bold the key takeaway of each point.

PRODUCTIVITY

Give me a step-by-step 7-day action plan to [goal]. Keep each step under 2 sentences.

PRODUCTIVITY

Think step by step before answering. Consider pros, cons, and risks. Then give me your final recommendation on: [decision].

BUSINESS

Write a high-converting headline for [product] targeting [audience]. Give me 5 options.

BUSINESS

List the top 5 objections a [customer] would have about buying [product], then write a rebuttal for each.

EDITING

Be brutally honest. Review this [content] and tell me what's weak, what's missing, and what to fix first.

EDITING

Rewrite this to sound [confident/warm/professional/casual]. Keep the same meaning.

CREATIVE

Give me 10 unique content ideas for [topic] that would perform well on [platform] for [audience].

CREATIVE

Write 5 scroll-stopping opening hooks for a short video about [topic]. Each under 15 words.

INCOME

Help me create a digital product around [topic] I can sell for \$[price] on Gumroad or Etsy.

30-Day Content Plan

Post Daily. Build Fast.
